

# **TAPPING INTO THE SUPERNATURAL POWER OF GOD**

**Sylvester Onyemalechi**

To tap into something or someone is to get connected, with the aim of benefiting from whatever is flowing within the thing or person.

When a wire gets connected to electricity current flows immediately to and through the wire just connected. In the same way, when a man connects himself into the supernatural power of God, the supernatural power of God flows to and through him.

The term supernatural speaks of something of power that is not natural, but above the natural.

Super-natural means: it's higher, superior and above the natural. It means the supernatural has authority over all things that are under the natural laws that God the creator of the heavens and the earth has put in place. Therefore, I can conclude that the supernatural rules over the earth. Everything under the sun is controlled and determined by the supernatural.

The supernatural is something or manifestation that cannot be explained by any known natural laws.

Man calls supernatural manifestations miracles, signs and wonders, magic, witchcraft, psychic and spiritual manipulation. Jesus walking on water is supernatural because, under the natural law that governs the earth, no man can walk on water since it is not solid. (Matt 14:22-32)

## **TWO TYPES OF SUPERNATURAL POWERS**

All powers belong to God. This is a known truth and indisputable. And it is with this authority that He created the world.

*Matt 28:18*

*18 Then Jesus came to them and said, "All authority in heaven and on earth has been given to me.*

*NIV*

*Gen 1:1*

*1:1 In the beginning God created the heavens and the earth.*

*NIV*

We also know that Lucifer rebelled against God, and God cast him out but did not strip him of his power. As Satan the devil, he still exercises the supernatural power God gave him when he was created, so also demons working for him (Satan).

Man is not able to exercise supernatural power because he is housed in human body that is created to operate under natural laws. However, man can tap into the supernatural to change the natural to state of things to what is desired.

### **THE POSITIVE SUPERNATURAL**

The positive supernatural is the authority and power of light. It is the power of truth. The positive supernatural is the authority and power of Almighty God.

It is positive because it is not for evil, but for good. The power of God can do anything and all things. It is for good - repairs lives, makes people happy, heals the wounded and afflicted and oppressed, open closed doors, favour and bless people, brings good and glorify God.

### **THE NEGATIVE SUPERNATURAL**

The negative supernatural is the authority and power being exercised by the devil and his demons. It is used for evil - to harm, afflict, oppress, depress, steal, bind and kill people. It is used for destruction and torturing people.

### **HOW TO TAP INTO THE SUPERNATURAL POWER OF GOD**

#### **1. FAITH**

Faith is the key to unlocking the supernatural power of God. Faith is believing and acting upon God's word. Faith is essential to the man that wants God to intervene in his life. Without faith it is impossible to please God.

*Heb 11:1*

*11:1 Now faith is being sure of what we hope for and certain of what we do not see.*

*NIV*

*Heb 11:6*

*6 And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.*

*NIV*

As long as Peter had faith, he walked on the water when he began to fear and look at the sea, and the storm, he began to sink. It took faith on Moses part to key into the supernatural power of God to make the rock bring out water for the people to drink.

Faith is the key to supernatural manifestation of the power of God. Eliminate fear, doubt and worries. Faith connects you to the supernatural. "According to thy faith shall it be done unto you."

#### **2. BE BORN AGAIN AND LIVE A HOLY LIFE**

Being born into sonship in God is being born into supernatural life. The life of God is a supernatural life. Anyone who receives that life receives a supernatural life. Accepting Jesus Christ as Saviour and Lord connects one to the positive supernatural. And once connected, the life, power and grace of God begins to flow into and through that person.

I encourage you the reader to make a decision right now for Jesus and get connected to the positive supernatural. If you are not connected to God you will be under the influence and oppression of the negative supernatural. The devil will run your life if Jesus is not running it. If you want Jesus in your life, pray this prayer out loud with all your heart

“There Jesus, I believe in my heart that you came to this world and died for my sins, I confess that I am a sinner; and need your salvation. Forgive me and save me now. I confess with my mouth that you are my Saviour and Lord from now on. I will live for you forever. Thank you for forgiving and saving my soul. I am now a child of God. I am born again. Hallelujah!

Now that you are saved, you must continue steadfastly in the word of God to make it to heaven. You must not go back to sin. If you want the supernatural power of God to continue to flow in your life, then you must live a holy life - a life free from sin, and totally dedicated to pleasing God at all times and in every situation you find yourself.

Holy living strengthens and builds the supernatural life of God given to us at conversion.

*John 1:12*

*12 Yet to all who received him, to those who believed in his name, he gave the right to become children of God-*

*NIV*

*Lev 19:1-2*

*19:1 The LORD said to Moses, 2 "Speak to the entire assembly of Israel and say to them: Be holy because I, the LORD your God, am holy.*

*NIV*

If you want to continue to enjoy supernatural life and manifestations, you first have to live clean and holy. You don't have a choice. A man operating the negative supernatural cannot be holy. That is why Jesus taught his disciples to look out for the fruit in a man's life to be able to identify if he is operating the positive supernatural or negative supernatural. Holiness proves the supernatural manifestations are of God. Evil in one's life proves the supernatural display to be of the devil.

Be holy for God is holy. Holiness connects you to the holy power of God. Sin disconnects, but holiness keeps one connected.

### **3. GET COMMITTED TO GOD IN EVERY WAY**

When you get committed to God, God gets committed to you – your life, dreams, goals, career, marriage, family life, success, academics, job and so on and so forth.

*Mark 12:30*

*30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.'*

NIV

*Phil 4:19*

*19 And my God will meet all your needs according to his glorious riches in Christ Jesus.*

NIV

Prove your love for God, don't just say it. Live for him, work for him and obey him in all things and at all times.

#### **4. LIVE BY THE PRINCIPLES AND LAWS OF GOD**

Application of the laws and principles of God connects you to the supernatural power of God. Walking in the word of God opens your life and situation up for the supernatural power of God to intervene and give you the desired miracle. It is in acting upon the word of God that miracle occur. In order words, the positive supernatural is triggered off or released by acting upon the instructions of God in the Bible, through a man or woman of God or directly spoken to you.

At the marriage at Cana in Galilee, water was turned into wine to save the Bridegroom from shame. This great miracle happened because the servants did what Jesus ordered them to do.

#### **5. PROMPT OBEDIENCE IS THE ACTION REQUIRED TO TRIGGER OF THE SUPERNATURAL POWER OF GOD**

*1 Sam 15:22-23*

*22 But Samuel replied: "Does the LORD delight in burnt offerings and sacrifices as much as in obeying the voice of the LORD? To obey is better than sacrifice, and to heed is better than the fat of rams. 23 For rebellion is like the sin of divination, and arrogance like the evil of idolatry. Because you have rejected the word of the LORD, he has rejected you as king."*

NIV

*John 2:5*

*5 His mother said to the servants, "Do whatever he tells you."*

NIV

Obey the command or instruction of God as at when he wants you to do what he has commanded. Do not delay action or move ahead of time. Do it exactly as he tells you to. What he may ask you to do may not be what you want to do. Your miracle is in doing it. It may not be the natural or logical thing to do, do it any how and you will see his supernatural power turn things around.

Don't sit down and bemoan your life and situation, ask Him what he wants you to do in the present circumstance. Do whatever he tells you and your story will have a good ending.

#### **6. BE POSITIVE IN THOUGHTS AND IN WORDS**

*Prov 23:7*

*7 For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee.*

*KJV*

*Prov 18:20-21*

*20 A man's belly shall be satisfied with the fruit of his mouth; and with the increase of his lips shall he be filled. 21 Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.*

*KJV*

*Matt 12:37*

*37 For by thy words thou shalt be justified, and by thy words thou shalt be condemned.*

*KJV*

Think faith, think positively, and don't dwell on negatives. Don't dwell on the negative side of a problem, it will kill your faith and make you speak negatively. It is what you say, you are going to have. Your tongue is a creative instrument. There is power of life and death in it. You must understand and admit this truth, and be careful what you say. Say what you want to see. Say only what will enhance the miracle you want.

What you think determines what you say. Jesus said the mouths from the abundance of the thoughts of the mind (heart). To say the right words, you must think the right things. To speak faith, you must think faith. Dwell on the positive side of things. Dwell on God and his promises and soon, your life and situation will be transformed by the supernatural power of God.
